# How to use the Grow with Google logo in your marketing content

Best Practice - Logo Usage

Using our logo on your material and registration sites/forms is not mandatory, however if you decide to utilize our branding, here are a couple of things for you to keep in mind:

The Grow with Google logo in full color should be used whenever possible and should only appear on a white background.

You may use the white Grow with Google logo against a color background.

High resolutions of the logo is available for your use. You can find them in the Partner Community under Resources > Welcome to the program > Program Logos.
